

## KANSAS EMPLOYEE'S WITHHOLDING ALLOWANCE CERTIFICATE

Use the following instructions to accurately complete your K-4 form, then detach the lower portion and give it to your employer. For assistance, call the Kansas Department of Revenue at 785-368-8222.

**Purpose of the K-4 form:** A completed withholding allowance certificate will let your employer know how much *Kansas* income tax should be withheld from your pay on income you earn from Kansas sources. Because your tax situation may change, you may want to re-figure your withholding each year.

**Exemption from Kansas withholding:** To qualify for exempt status you must verify with the Kansas Department of Revenue that: **1)** last year you had the right to a refund of **all** STATE income tax withheld because you had **no** tax liability; and **2**) this year you will receive a full refund of <u>all</u> STATE income tax withheld because you will have **no** tax liability.

**Basic Instructions:** If you are not exempt, complete the **Personal Allowance Worksheet** that follows. The total on line F should **not** exceed the total exemptions you claim under "Exemptions and Dependents" on your Kansas income tax return.

**NOTE**: Your status of "Single" or "Joint" may differ from your status claimed on your federal Form W-4).

Using the information from your **Personal Allowance Worksheet**, complete the **K-4** form below, sign it and provide it to your employer. If your employer does not receive a K-4 form from you, they must withhold Kansas income tax from your wages without exemption at the "Single" allowance rate.

Head of household: Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the cost of keeping up a home for yourself and for your dependent(s).

**Non-wage income:** If you have a large amount of non-wage Kansas source income, such as interest or dividends, consider making Kansas estimated tax payments on Form K-40ES. Without these payments, you may owe additional Kansas tax when you file your state income tax return.
